Case No. 2:14-cv-1349-LDG-VCF

MOTION FOR EXTENSION OF TIME TO FILE A RESPONSE TO
DEFENDANTS' MOTIONS

Plaintiff's hereby ask for a 30 day extension of time to file their response to Defendants' current Motions. Lori irish is still recovering from cataract surgery she recently had performed. Exhibit "1" She is still having a little trouble seeing close as the new lenses placed in her eyes heal.

Lori Irish also has an Initial Brief due in the Ninth Circuit Court of Appeals on December 22, 2014. Exhibit "2". She has already been given a second extension by the Ninth Circuit

because of her eye surgery. I would like for this Court to take notice that the Ninth Circuit Appeal involves the very same agency that she is currently suing in this Court.

Lori Irish is not an attorney and does not have offices of attorneys that both United States Attorney's office and well as the NLRB offices have.

Defendants are not capable of preparing both an opening brief in the Ninth Circuit and a response to this current Motion at the same time. Defendants are not attorneys so it takes them considerably more time to prepare and research briefs and reply motions. We ask this Court to grant a 30 extension of time to file a response.

Respectfully submitted this 5th day of December 2014.
